still preparing some information.

PRESIDENT: We are doing that with some others so that will
be laid over. Do you have any other further motions,
Mr. Clerk?

CLERK: None.

PRESIDENT: Do you have some things to read into the record?

CLERK: Yes, much, Mr. President. Mr. President, there is
pending a motion to affirm Mr. McNeil for Ombudsman for
the State Legislature. This requires a vote of the Legis-
lature. Signed Senator Marvel.

SENATOR MARVEL: This is a technicality that we haven't
fulfilled yet and it simply requires the two-thirds
vote by this body to reaffirm Mr. McNeil as the State
Ombudsman, so I so move.

CLERK: We have a motion pending.

PRESIDENT: Senator Murphy.

SENATOR MURPHY: Addressing ourselves to Senator Marvel's
motion, I would like to say that I think the Ombudsman's
office under Mr. McNeil has probably been one of the nicest
functions this state has provided for the people out in
the district. He does a very excellent job. He does a
very courteous job and a very thorough job and I can't
think of anyone or any office that I would recommend more
highly of being reconstituted by this motion and I heartily
endorse it.

PRESIDENT: Senator Cope.

SENATOR COPE: Mr. President and members, I would just
second what Senator Murphy said. I have worked with him
in quite a few instances and I think he is doing a
terrific job.

PRESIDENT: That is the question, record your vote. Have
you all voted? Record.

CLERK: 42 ayes, 0 nays, 7 not voting on the motion to
reaffirm.

PRESIDENT: Mr. McNeil is confirmed. Mr Clerk, I would
also like to announce that Senator Brennan has five of
his daughters with him today including Mary Francis who
is 12 years old. Mary Francis, will you stand. Thank
you. Senator Brennan, you can keep your seat.

CLERK: Mr. President, Senator Barnett asks unanimous
consent to withdraw a request to hold LB 4. Signed Senator
Barnett.

PRESIDENT: Is there any objection. Seeing none, it is so
ordered.

CLERK: It is correctly enrolled and ready for your sig-
nature.

PRESIDENT: While the Legislature is in session and capable
